pin-303008

And

Cosmo Analytical Lab llp

Block- C Plot No.-423 Sector-10 Gautambudh nagar Uttarparadesh 201301

This Memorandum of Understanding (here in after called MOU) was made between. SBF infra private limited (Here in after called SBF infra private limited and Cosmo Analytical Lab llp (Here in after called (CAL) Noida) for conducting Industrial Radiographic Testing, Ultrasonic Testing, Phased Array Ultrasonic Testing, Dye Penetrate Testing, Magnetic Particle Testing, Stress Reliving, Mechanical Testing and Chemical Testing for the raw material, equipment manufactured/fabricated by SBF infra private limited at its works and various project sites.

The MOU made and entered on the 10 day of May 2026 between SBF infra private limited & Cosmo Analytical Lab llp (CAL)

Whereas SBF infra private limited requires different tests for Weld Joints and raw materials including Mechanical & Chemical testing, Ultrasonic Testing, Phased Array Ultrasonic Testing and Radiography Testing, Dye Penetrate Testing, Magnetic Particle Testing, Stress Reliving tubes, pipe line and components. Now SBF infra private limited and CAL come to an understanding that CAL (approved by BARC for RT, NDT level II approved person for UT, PAUT, MPT, DPT & NABL accreditation for Mechanical & Chemical Testing of Steel) will require NDT/ Destructive tests as and when required at SBF infra private limited, works and other Project sites.

Further it was agreed that:-

CAL will provide required testing equipment along with qualified / approved manpower to conduct the tests. The equipment must the client's specification and may differ from client to client.

CAL will be responsible for safe transportation and storage of equipment as per AERB guide line. SBF infra private limited shall provide required storage facilities and security arrangements at works and other project sites

It is the responsibility of CAL show provides certificates on demand by client and requirement

may differ from client to client.

SBF infra private limited has to send the samples (as prescribed standards) to CAL's Noida

Note: (1) The above results are related only to the tests performed on the sample. Endorsement of product is neither inferred nor implied. (2) This report is not to be reproduced wholly or in part & forbidden to be used as an evidence in the court of law & ought not be used in any advertising media without our special permission in writing. (3) Samples will be destroyed after 90 days from the date of reporting unless otherwise specified. (4) Total liability of our Test laboratory is limited to the invoiced amount. (5) Report refers to the sample received by Cosmo Analytical LLP, unless mentioned otherwise.

Lab for destructive & chemical analysis tests.

The prices shall be mutually agreed from time to time depending on quantum of tests, client requirements & location of tests.

100% Payment shall be released at the time of submission of samples.

Testing and reporting shall be done as per CAL's approved format and procedures based on requirements of the customer.

Termination of the MOU shall on mutually agreed and not bounded to each other,

The MOU is valid for 70 (Seventy) months from the date of signature i.e.: 15th May 2026 to 14th March 2032.
